

Welcome to our Practice.

To make your visit more seamless, please take note of the following.

Driver's license certificate

You don't need an appointment to get your certificate. We help you on a walk-in basis. Remember to bring your current driver's licence of original ID book (or certified copy). Waiting time dependant on when our Optometrist is free.

Eye Tests

Bring your medical aid card and your current glasses with. If you are a new patient to our practice, arrive 10 min earlier to give you enough time to complete the paperwork.

Contact Lens wearers

Remember your contact lens case. Come wearing your lenses so we can evaluate them during the consultation.

Kidz See Free

Remember to bring with your child's birth certificate, current glasses and any referral letters from school or Specialist.

If you need to Cancel your booking.

Please do so in advance to free up your appointment slot for someone else. Call, send us a message or email us. Details below.
